UNSTARRED QUESTION NO.1791
TO BE ANSWERED ON 28-12-2017

Strength of National Cadet Corps Units

1791. PROF. A.S.R. NAIK:

Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) the total strength of National Cadet Corps (NCC) units in the Country, State-wise; and

(b) Whether NCC is useful for the all-round development of young students in the schools, if so, the details thereof along with present policy to strengthen and make NSS compulsory in all educational institutions?

ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE)
FOR YOUTH AFFAIRS AND SPORTS
(COL. RAJYAVARDHAN SINGH RATHORE)

(a) There are total 814 National Cadet Corps (NCC) Units in the Country. The details of these Units are given at Annexure-A.

(b) Yes Madam. NCC is useful for all-round development of young students. The aim of NCC is useful for students in developing following qualities:

i. To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and sportsmanship and the ideals of selfless service among the youth to make them useful citizens.

ii. To create a human resource of organised, trained and motivated youth, to provide leadership in all walks of life including the Armed Forces and always available for the service of the nation.

Enhancement of NCC Units is being undertaken in a phased manner. Currently the 2 Lakh cadets accretion plan initiated in 2010 is under way. The plan is to be implemented in five phases with an increase of 40,000 cadets per phase. The planned 2 lakhs cadet accretion entails raising of 5 Group HQs and 61 NCC units comprising 43 Army Units, 13 Naval Units and 05 Air Units. Currently Phase III and the Phase IV of the plan is under implementation. Request for proposals for raising new units in the final phase i.e., Phase V has been issued to the state directorates. The final phases expected to be completed by 2019-20.

At present there is no proposal for making NCC compulsory for all educational institutions.

Similarly, in case of NSS, there is no policy to make NSS compulsory in all educational institutions. However, a syllabus has been framed for introducing NSS as a credit based elective subject in Higher Education system which has been duly approved by University Grants Commission (UGC) and notified by UGC vide D.O.No.F.1-7/2011 (CPP-II) dated 13th August, 2015 for implementation in Higher Education system from 2015-16 academic session. The copy of the notification is given at Annexure-B.

D.O.No.F. 1-7/2011(CPP-II) 13th August, 2015

Dear Sir/Madam,

The Ministry of Human Resource Development, as part of the discussion in the 62nd Meeting of Central Advisory Board of Education (CABE) held on 10.10.2013, has decided to consider making NSS as elective subject in higher education. Now the Ministry of Youth Affairs & Sports (MYAS), Government of India has designed a template of NSS curriculum for introduction of NSS as credit based elective subject in the Higher Education system which is available on UGC website i.e. *www.ugc.ac.in*.

You are, therefore, requested to implement the NSS as elective subject in your esteemed University from the current academic year for the benefit of students.

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)

The Vice-Chancellor of all Universities
